oo. Arbor Commercial Mortgage, LLC (“Arbor”) was a commercial real estate financing company based in Uniondale, New York and was approved to sell and service loans on behalf of Fannie Mae and Freddie Mac. Entities such as Arbor that sell and service loans on behalf of Fannie Mae and Freddie Mac are known within the commercial and multi-family mortgage industry as “seller-servicers.” The seller-servicers issue the loans, which are then purchased by Fannie Mae and Freddie Mac. The seller-servicers then continue to service the loans after the sales to Fannie Mae and Freddie Mac.

A “rent roll” was a document listing, among other things: (1) all of the tenants in a multi-family property during a specific time frame; (2) the amount of rent paid by each tenant; and (3) the total rental income for the property during the time frame. The rent roll often also included the date the tenant began occupying the apartment listed on the rent roll.

ccc. A “trailing twelve statement,” commonly referred to as a “T12 statement” set forth the income for a property each month for the preceding twelve months.

ddd. The “debt service coverage ratio” (“DSCR”) for a property was a ratio of a property’s income to its debt obligations, and was an indicator of whether a property could sustain its debt based on its income. Either increased income or decreased expenses on a

property resulted in a higher DSCR, holding other variables constant. A lender relied upon the DSCR in determining whether it would issue a loan, and thereafter continued to rely upon it in assessing a borrower's ability to meet its obligations going forward. If a loan failed to meet a certain DSCR after closing, the loan could be considered in default, providing the lender with contract-based options to protect itself.

### **THE MULTI-FAMILY PROPERTY MORTGAGE LENDING PROCESS**

2. A multi-family property could be acquired by way of new construction or by purchasing an existing multi-family property. New construction could be funded with a short-term construction loan intended to finance the property during the period of construction. Construction loans often required the developer to invest a percentage of its own funds into the project before issuing the loan and drawing funds from the loan proceeds. A construction loan was paid off by a permanent loan once its occupancy reached a required threshold. As with construction loans, permanent loans required the borrower to invest a percentage of its own funds.

3. Before a financial institution determined whether it would issue a permanent loan on a multi-family property, it typically evaluated various factors, including determining the property's value by using the property's income. Before issuing a construction loan, a financial institution typically evaluated factors including the cost of construction and the projected value of the property. In conducting their evaluations, lenders relied on representations made by potential borrowers concerning cost, value and income.

**COUNT 1**

**(Conspiracy to Commit Wire Fraud and Bank Fraud)**

**The Grand Jury Further Charges That:**

1. The allegations contained in the Introduction of this Superseding Indictment are re-alleged and incorporated by reference as if fully set forth herein.

**THE CONSPIRACY**

2. Beginning in or before 2007, the exact date being unknown to the Grand Jury, and continuing to in or about January 2019, in the Western District of New York, and elsewhere, the defendants, ROBERT MORGAN, FRANK GIACOBBE, TODD MORGAN, and MICHAEL TREMITI did knowingly, willfully and unlawfully combine, conspire and agree together and with Kevin Morgan, Patrick Ogiony, Scott Cresswell, and others known and unknown to the Grand Jury, to:

a. devise a scheme and artifice to defraud financial institutions and government sponsored enterprises and to obtain money and property from financial institutions and government sponsored enterprises by means of materially false and fraudulent pretenses, representations and promises, and for the purpose of executing the scheme and artifice, to transmit, and cause to be transmitted, by means of wire communication in interstate and foreign commerce, writings, signs, signals, pictures and sounds, and the scheme and artifice affected financial institutions, in violation of Title 18, United States Code, Section 1343; and

b. knowingly execute a scheme and artifice to defraud financial institutions and to obtain moneys, funds, credits, assets, securities, and other property owned by, and under the custody and control of, financial institutions by means of materially false and fraudulent

pretenses, representations, and promises, in violation of Title 18, United States Code, Section 1344.

**OBJECTS OF THE CONSPIRACY**

3. It was an object of the conspiracy to induce financial institutions to issue mortgage loans based on false pretenses, representations and promises, which loans the institutions would not have issued, or would have issued with different terms.

4. It was a further object of the conspiracy to provide the financial institutions servicing the mortgage loans with false information to conceal the misrepresentations that had induced the lenders to issue the loans, and to conceal the actual financial statuses of the properties so the lenders would continue to provide additional loans.

5. It was a further object of the conspiracy to carry out and to execute the above-listed objects for the personal gain, benefit, profit, advantage, and accommodation of defendants ROBERT MORGAN, FRANK GIACOBBE, TODD MORGAN, and MICHAEL TREMITI.

**MEANS BY WHICH THE OBJECTS OF THE  
CONSPIRACY WERE ACCOMPLISHED:**

6. The objects of the conspiracy were accomplished through the following means, among others:

a. Morgan Management provided property management, accounting and financial reporting services for the properties owned by limited liability companies controlled by defendant ROBERT MORGAN.

b. Defendants ROBERT MORGAN and MICHAEL TREMITI, and Kevin Morgan, as well as others known and unknown to the grand jury, conspired to manipulate income and expenses for properties to meet debt service coverage ratios (“DSCRs”) required by lending institutions. The manipulation included, among other things, removing expenses from information reported to lenders.

c. Defendants ROBERT MORGAN, MICHAEL TREMITI, and TODD MORGAN, and Kevin Morgan, as well as others known and unknown to the grand jury, conspired to present lending institutions with false and fraudulent inflated construction contracts and invoices that falsely reported to lending institutions that the contractors constructing properties were being paid more than the contractors were actually being paid.

d. Defendants FRANK GIACOBBE, ROBERT MORGAN, MICHAEL TREMITI and TODD MORGAN, and Kevin Morgan and Patrick Ogiony, as well as other co-conspirators, known and unknown to the Grand Jury, provided false information to financial institutions and government sponsored enterprises that overstated net incomes of properties and thereby induced financial institutions to: (1) issue loans (a) for greater values than financial institutions would have authorized had they been provided with truthful information; and (b) that the financial institutions would not have issued at the time of issuance had they been provided with truthful information; and (2) forgo contractual rights that would have inured to the financial institutions had the defendants and Morgan Management presented accurate financial information to the financial institutions.

e. Defendants FRANK GIACOBBE, ROBERT MORGAN and TODD MORGAN, and Kevin Morgan and Patrick Ogiony, as well as other co-conspirators, known and unknown to the Grand Jury, employed various mechanisms to mislead

inspectors, appraisers, financial institutions and government sponsored enterprises with respect to the occupancy of properties.

f. Defendants FRANK GIACOBBE, ROBERT MORGAN, TODD MORGAN, and MICHAEL TREMITI, and other co-conspirators, known and unknown to the Grand Jury, falsely inflated the amounts owed on properties, by among other things, (1) providing false documentation of obligations purportedly associated with the properties, (2) misrepresenting the actual purchase prices of properties by providing false contracts and contract prices, and (3), as set forth above, presenting false construction contracts and invoices.

#### **ACTS IN FURTHERANCE OF THE CONSPIRACY**

7. In furtherance of the conspiracy, the following acts, among others, were committed in the Western District of New York and elsewhere:

#### **Morgan Ellicott**

a. In or about March 2011, defendant FRANK GIACOBBE and defendant ROBERT MORGAN and others known to the Grand Jury caused a fictitious contract to be presented to Evans Bank, stating that Morgan Ellicott Apartments, LLC had contracted to purchase Morgan Ellicott for \$5 million when, in truth and in fact, the purchase price was \$3.1 million. Based in part on that misrepresentation, Evans Bank thereafter issued a \$4.5 million loan for the purchase of Morgan Ellicott.

b. In or about March 2013, in connection with efforts to refinance Morgan Ellicott, defendants FRANK GIACOBBE and ROBERT MORGAN, and others known to

the Grand Jury presented to UBS documents identifying a false and nonexistent \$3.5 million loan purportedly owed on Morgan Ellicott. Based in part on this misrepresentation, UBS issued an \$8.5 million loan on April 30, 2013.

c. Defendant FRANK GIACOBBE received a “broker fee payment” of \$85,000 from the proceeds of the loan issued by UBS on or about April 30, 2013. On or about May 3, 2013, defendant ROBERT MORGAN also paid defendant FRANK GIACOBBE \$85,000. On or about May 7, 2013, a co-conspirator known to the grand jury paid defendant FRANK GIACOBBE \$50,000.

#### **Rugby Square**

d. On or about February 22, 2012, Rugby Square, LLC acquired Rugby Square with a \$5.56 million loan from M&T Bank, which was based on an appraised value of \$7.52 million. Between or about September 18, 2012, and October 11, 2012, defendant FRANK GIACOBBE emailed false and inflated income documents to Colliers and Berkadia in connection with efforts by Rugby Square, LLC to refinance Rugby Square.

e. Thereafter, on or about October 25, 2012, Colliers issued an appraisal based in part on false information provided by defendant FRANK GIACOBBE, valuing the property at \$13 million.

f. On or about December 20, 2012, Berkadia issued a \$9 million loan to refinance the property which loan was subsequently purchased by Freddie Mac.

g. On or about December 20, 2012, defendant FRANK GIACOBBE received a payment of \$90,000 from the proceeds of the loan. On or about December 21, 2012, a co-conspirator known to the Grand Jury paid defendant FRANK GIACOBBE \$50,000. On or

about January 2, 2013, defendant ROBERT MORGAN paid defendant FRANK GIACOBBE \$90,000.

**Avon Commons**

h. In December 2013, defendant ROBERT MORGAN signed a purchase contract on behalf of Morgan Acquisitions LLC to purchase the Avon Commons apartment complex for \$5.9 million with an approximate \$4.7 million loan from Evans Bank and an approximate \$1.2 million loan from a fund financed by investors recruited by defendant ROBERT MORGAN. Approximately one year later, in or about December 2014, defendant ROBERT MORGAN obtained a \$6.3 million loan from Arbor to pay off the December 2013 loans.

i. On October 6, 2014, defendant FRANK GIACOBBE presented an Arbor employee with a payoff letter for the Morgan-related loan. After learning that Arbor would not pay off a loan from defendant ROBERT MORGAN'S investor fund, defendant FRANK GIACOBBE emailed defendant ROBERT MORGAN on October 7, 2014, attaching a false and fraudulent payoff letter for the Morgan-affiliated loan disguising that the loan was from a Morgan-affiliated fund. Defendant FRANK GIACOBBE then sent the fraudulent payoff letter to the Arbor employee.

j. On or about October 26, 2014, CBRE issued an appraisal valuing the property at \$8.1 million based in part on a misrepresentation by defendant FRANK GIACOBBE that Morgan Acquisitions had purchased the property for \$8 million in December 2013 when, in fact, the purchase price was \$5.9 million.

k. On or about December 9, 2014, Arbor issued a \$6.3 million loan, the amount of which was based in part on the misrepresentations that: (1) Morgan was indebted to United Income Partner's Fund 11% Notes Fund LLC in the amount of \$1,371,316.67, and would use the proceeds of the loan to pay off that debt; and (2) Morgan Acquisitions had purchased the property in December 2013 for \$8 million. Freddie Mac subsequently purchased the loan from Arbor.

l. On or about December 9, 2014, defendant FRANK GIACOBBE received \$63,000 in broker's fees from the proceeds of the \$6.3 million loan.

#### **Rochester Village**

m. Between on or about October 27, 2014, and on or about April 6, 2015, defendants, FRANK GIACOBBE, ROBERT MORGAN, TODD MORGAN, and Kevin Morgan and Patrick Ogiony, in connection with efforts to obtain financing for Rochester Village, caused misrepresentations regarding storage income, rent rolls, property brochures and occupancy at the property.

n. Between on or about January 14, 2015, and January 19, 2015, defendants FRANK GIACOBBE and TODD MORGAN, in connection with an inspection related to the effort to obtain financing for Rochester Village, staged the interior of an unoccupied unit to make it appear occupied, and as to other unoccupied units, turned radios on in the units and placed mats and shoes outside apartment doors to mislead inspectors into believing that the units were occupied.

o. On or about May 5, 2015, Colliers issued an appraisal, based in part on false and fraudulent information provided by the defendants, valuing the property at \$64 million.

p. On or about May 12, 2015, Berkadia issued a \$45.79 million loan that was subsequently purchased by Freddie Mac.

q. On or about May 12, 2015, defendant FRANK GIACOBBE received a payment of \$460,000 from the proceeds of the \$45.79 million loan.

r. Between in or about May 2015 and in or about the spring of 2017, defendant FRANK GIACOBBE and Kevin Morgan caused fraudulent rent rolls and financial statements to be submitted during quarterly loan servicing reports.

s. On June 19, 2017, defendant ROBERT MORGAN sent an email to his real estate attorney requesting him to create a new master lease that more than doubled the monthly payment for a master lease Morgan Management had signed on the property.

t. On June 20, 2018, defendant ROBERT MORGAN instructed the attorney to backdate the master lease to January 1, 2017.

### **Southpointe**

u. Between on or about April 10, 2015, and March 29, 2016, defendants, FRANK GIACOBBE and TODD MORGAN, and Kevin Morgan and Patrick Ogiony, in connection with efforts to obtain financing from Arbor for Southpointe, inflated the number of storage units and parking spaces available, inflated storage and other income, and falsified rent rolls.

v. On or about April 16, 2015, defendant TODD MORGAN sent defendant FRANK GIACOBBE and Kevin Morgan an email indicating that the property had a \$35.258 million construction loan and a second loan for \$5.3 million. On the same date, defendant FRANK GIACOBBE replied that he needed to show “payoffs,” – in other

words, debts to be paid off – of \$49 million on the property, and asked where to add additional debt. Also on the same date, Kevin Morgan forwarded defendant FRANK GIACOBBE's inquiry to defendant ROBERT MORGAN, and defendant ROBERT MORGAN instructed Kevin Morgan to allocate additional debt to a Morgan-related investor fund, which debt did not exist. Defendant FRANK GIACOBBE caused the fraudulent debt to be reported to Arbor.

w. On or about May 9, 2016, CBRE issued an appraisal based in part on false information provided by the defendants, valuing the property at \$60.5 million.

x. On or about June 27, 2016, Arbor issued a \$45 million loan which loan was subsequently purchased by Freddie Mac.

y. On or about June 27, 2016, defendant FRANK GIACOBBE received a payment of \$337,500 from the proceeds of the \$45 million loan.

z. In or about May 2017, defendants FRANK GIACOBBE and TODD MORGAN caused the creation of a false and fictitious rent roll and T12 statement in connection with an inspection to be conducted by Arbor related to the inclusion of the \$45 million Southpointe loan in a mortgage-backed security.

aa. In the spring of 2017, after becoming aware of an investigation into Morgan Management properties, defendant ROBERT MORGAN informed Kevin Morgan and others that he planned to create fictitious corporate leases for blocks of apartments in order to mask lower actual occupancy at Southpointe and other properties. He would then deposit or arrange for deposits of money into the apartments' accounts. Defendant ROBERT MORGAN then instructed Scott Cresswell to ask two contractors to sign fictitious leases for a number of apartments at the property and to make rent payments for those apartments as

a favor to defendant ROBERT MORGAN. Defendant ROBERT MORGAN would arrange for the contractors to be reimbursed for the rent payments.

bb. On June 19, 2017, Scott Cresswell instructed a Morgan Management employee to lease nine vacant units each to Contractor 1 and Contractor 2, and to backdate the leases to April 1, 2017.

cc. From June through August 2017, Contractor 2 made total rent payments of approximately \$274,101.23 for which it was reimbursed by Morgan Management.

dd. From June 2017 through September 2017, Contractor 1 made total rent payments of at least approximately \$259,199.90, for which it was reimbursed by Morgan Management. In December 2017, Contractor 1 made a payment of \$86,281.89, for which it was reimbursed in the amount of \$70,290.

ee. In September 2017, Wells Fargo, the master servicer for a securitized package of loans in which the \$45 million Southpointe loan was included, received financial information for the property through the second quarter of 2017, which included a rent roll as of June 30, 2017. That rent roll listed the eighteen fictitious corporate leases for apartments purportedly occupied by employees of Contractor 1 and Contractor 2. The total purported rent for the eighteen apartments was \$59,195, which accounted for 18.9 percent of the total reported rental income, \$313,276.57. The eighteen fictitious leases also raised the occupancy of the building from 220 of 250 units (88.8 percent) to 238 out of 250 units (95.2 percent).

#### **Eden Square**

ff. Between on or about October 24, 2016, and December 31, 2016, the

defendant FRANK GIACOBBE, Patrick Ogiony, and Kevin Morgan, in an effort to obtain financing from Berkadia for Eden Square, falsified rent rolls and T12s, altered lease contracts to misstate rents and fees, and provided them to Berkadia.

gg. On or about October 24, 2016, in order to falsify radon testing required by Berkadia, defendant FRANK GIACOBBE instructed Kevin Morgan to place a radon detection canister in a vacant unit on the top floor of the building with the window cracked during radon testing, despite instructions from the radon testing company to place the canisters only in ground floor units.

hh. Between on or about November 15, 2016, and on or about November 16, 2016, defendant FRANK GIACOBBE and others known and unknown to the Grand Jury provided false documents to Freddie Mac and Berkadia.

ii. On or about November 18, 2016, CBRE issued an appraisal, based in part on false information provided by the defendants, including that the property was 95.8 percent occupied. The appraisal valued the property at \$54 million.

jj. On December 21, 2016, Berkadia issued a \$42 million loan which loan was subsequently purchased by Freddie Mac.

kk. On or about December 21, 2016, defendant FRANK GIACOBBE received a payment of \$210,000 from the proceeds of the \$42 million loan.

ll. On or about December 31, 2016, defendant FRANK GIACOBBE caused Freddie Mac to be provided with a false and inflated rent roll for Eden Square.

mm. In or about early March 2017, an employee of Eden Square, who was unaware of the scheme to defraud, provided an inspector conducting a pre-securitization inspection on behalf of Wells Fargo, the master servicer for a securitized package of loans in

which Eden Square was to be included, with an accurate rent roll showing the property less than seventy percent occupied. On or about March 15, 2017, Kevin Morgan sent an email to Berkadia, copying defendant ROBERT MORGAN, attempting to explain diminished occupancy rates between the December 2016 loan closing and March 2017.

**Villas of Victor**

nn. On or about January 26, 2010, defendant FRANK GIACOBBE caused an email to be sent to defendant ROBERT MORGAN attaching a false and inflated T12 statement that was subsequently provided to Arbor in connection with efforts to obtain a refinance loan for the Villas of Victor.

oo. On or about February 19, 2010, defendant ROBERT MORGAN emailed Kevin Morgan to confirm that rent prices had been removed from the internet listing for the property. On the same date, Kevin Morgan emailed defendant ROBERT MORGAN, and defendant FRANK GIACOBBE, confirming "ALL RENTS ARE DOWN."

pp. Prior to closing of a loan for the property, defendants ROBERT MORGAN and FRANK GIACOBBE conspired with Kevin Morgan and others known and unknown to the grand jury to provide Arbor with false and inflated rent rolls and income statements.

qq. On or about May 13, 2010, Arbor issued two loans in a total amount of \$11,390,072.68. The first mortgage, in the amount of \$9,750,000 was subsequently purchased by Fannie Mae. The second mortgage, in the amount of \$1,640,072.68 remained with Arbor. After the loans closed, the conspirators continued to produce false and inflated rent rolls and income statements during servicing of the loans, through 2016 and into 2017.

**Park Place of South Park**

rr. On or about August 16, 2011, defendant ROBERT MORGAN signed a contract to purchase Park Place of South Park for \$11,500,000. Between August 16, 2011, and September 15, 2011, defendant ROBERT MORGAN and defendant FRANK GIACOBBE created a second contract, representing a purchase price of \$15,375,000.

ss. On or about October 25, 2012, Berkadia issued a \$13,800,000 loan, in reliance on the inflated purchase price of \$15,375,000. The loan issued by Berkadia was subsequently purchased by Freddie Mac.

**Ellison Heights**

tt. Between June 2016 and January 2019, defendants ROBERT MORGAN and TODD MORGAN caused the issuance and payment of a construction loan from ESL based on a false and inflated construction contract price.

uu. Based in part on the inflated construction price, ESL issued a loan on September 30, 2016, in the amount of \$32,000,000.

vv. On or about July 17, 2017, defendant TODD MORGAN sent an email to defendant ROBERT MORGAN and Kevin Morgan attaching a spreadsheet reflecting an inflated contract price of \$34,029,429 but an “actual amount to be paid” of \$29,779,430. In the email defendant TODD MORGAN reported to defendant ROBERT MORGAN that, upon completion of the Ellison Heights project, there would be an excess of \$1,711,312.14 in loan funds for the property.

ww. On March 27, 2018, a Contractor 1 employee sent an email to defendant ROBERT MORGAN, defendant TODD MORGAN and Kevin Morgan attaching a

spreadsheet reflecting an inflated contract price of \$34,029,429 but an “actual amount to be paid” of \$30,482,785.

xx. Through approximately December 2018, the conspirators presented ESL with fraudulent documents inflating the actual amounts they had paid Contractor 1, to enable conspirators to draw out the entire amount of the loan.
